Debtor.)

AMENDED ORDER CONVERTING CASE TO CHAPTER 7

Upon consideration of the oral Motion of Debtor's counsel presented to the Court on July 19, 2012, to convert the above-captioned case under Chapter 11 to a case under Chapter 7 and, the Court considering previously presented evidence, this Court finds that this case is appropriate for conversion. Additionally, certain protections for the secured creditor, The Bank of Missouri were advanced to this Court by its oral Motion for Expedited Hearing and Lift Stay (which is the subject of another Order of this Court from this same hearing date) and therefore, IT IS

ORDERED that this case be and hereby is converted to a case under Chapter 7 and the Office of the United States Trustee is directed to appoint a panel Trustee to perform its duties thereon, further, all depository accounts owned by the Debtor be and are hereby frozen until further Order of this Court, including all Debtor-In-Possession accounts and any other depository accounts of Mid America Petroleum Equipment, Inc. and further, that the Lift Stay/Modification of Stay Order entered as a result of presentation at said hearing on July 19, 2012 shall be and is considered preceding in time this Order of Conversion.
